

StepUP Mentorship Programme 2024

Scaling the learning ladder

Date of Commencement - 12th June, 2023

Mode - Online & Offline Both

It is a tailor-made & individualised mentorship guidance programme to provide transfer of knowledge, experience, and insights from the mentor to the mentee. The mentor acts as a trusted advisor, offering feedback, encouragement, and constructive criticism to help the mentee navigate challenges, make informed decisions, and achieve their goals.

What is Mentoring?

Mentoring typically involves the transfer of knowledge, experience, and insights from the mentor to the mentee. The mentor acts as a trusted advisor, offering feedback, encouragement, and constructive criticism to help the mentee navigate challenges, make informed decisions, and achieve their goals. The mentor may also share their own experiences, perspectives, and lessons learned to provide guidance and perspective.
